Journal of Engineering and Architecture

ISSN: 2334-2986 (Print) 2334-2994 (Online)

[Journal of Engineering and Architecture](#) is an international peer-reviewed journal. The journal is not limited to a specific aspect of engineering and architecture but is instead devoted to a wide range of subfields in the engineering sciences and architecture. Articles of interdisciplinary nature are particularly welcome. The journal strives to maintain high quality of publications. There will be a commitment to expediting the time taken for the publication of the papers. The editorial board reserves the right to reject papers without sending them out for review. The journal also publishes innovative contributions on every aspect of architectural endeavor.

The journal is published by the [American Research Institute for Policy Development](#) that serves as a focal point for academicians, professionals, graduate and undergraduate students, fellows, and associates pursuing research throughout the world.

The interested contributors are highly encouraged to submit their manuscripts/papers to the executive editor via e-mail at editor@aripd.org. Please indicate the name of the journal (Journal of Engineering and Architecture) in the cover letter or simply put 'Journal of Engineering and Architecture' in the subject box during submission via e-mail.
