PROPAGANDA

“**PROPAGANDA** es un seguimiento a la campaña presidencial chilena del 2013, en medio del descontento social más importante de los últimos años. Propone un viaje visual por los rincones más singulares de la elección, invitando a reflexionar sobre la compleja relación entre clase política y ciudadanía, a través de la mirada de distintos realizadores del país”

.....

“**PROPAGANDA** is a follow up to the Chilean presidential campaign of 2013, in the midst of one of the major social unrest in recent years. It proposes a visual journey through the most singular corners of the political campaigns, inviting reflection on the complex relationship between politicians and citizens through the eyes of several filmmakers in the country”
